

Type: Heavy Duty Waterless Hand Cleaner & Degreaser	Grade: Cosmetic Grade Eco Cosmetic Chemistry	Approvals: EcoChoice Approved
---	--	-------------------------------

GEARTH CleanGrip is a heavy-duty waterless personal care hand cleanser and degreaser, formulated with sustainable, renewable and cosmetic-grade components using eco cosmetic chemistry. It is designed to remove even the heaviest grease and grime from the hands with ease, while leaving the skin feeling soft, warm and renewed.

Unlike conventional hand cleaners that require water for initial application, GEARTH CleanGrip works without water — making it ideal for workshops, mines, garages and industrial environments where water access at the point of use may be limited. After cleaning, a simple warm water rinse leaves hands feeling clean and pleasantly tactile. The product leaves a pleasant and lingering fragrance after application.
